Academy International will honor our veterans in a whole-school Veterans Day assembly on Monday, November 11th at 9:00am. We are proud to have servicemen and women from the Air Force, Army, and Marines speak to our students. Patriotic music will be performed by Army and Air Force musicians. The Academy International Choir will sing for our veterans, current service members, and students. Major (Army Ret.) Lisa Johnson, a 3rd grade teacher at AIES, will present a slide show of veterans and active duty service members. Family members have been invited to participate in the assembly.

ANTELOPE TRAILS ES

Veterans will be invited to join us on Monday, November 11th for a light breakfast from 8:30am-9:00am where a slideshow of ATE connected veterans will be displayed. The Boy Scouts will post the Colors and then our choir will perform songs for the veterans. Boy Scouts will then lead the veterans on a parade through the school, where students will wave flags they created in Art class. Veterans will then be invited to spend 30-minutes in classrooms visiting with students and answering questions.

CHINOOK TRAIL ES

Veterans Day is an important celebration at Chinook Trail Elementary! Many of our students have family members who have served in the Armed Forces or who are currently serving. The festivities of the day provide a special opportunity to honor those who have served our country.

On the morning of November 11th, at 8:30am, veterans will be welcomed with a reception in their honor, followed by an all-school assembly. A local Boy Scout troop will serve as honor guard; the CTE Tiger Choir will perform; veterans and active duty military will introduce themselves; and, a few students will share what

Veterans Day 2019

Veterans Day means to them. After the assembly, our honored guests will be ushered to music and flag-waving by our students in kindergarten through second grade. This assembly, combined with special classroom activities, will help students to better understand the responsibilities of Citizenship – our character trait of the month.

Our Veterans Day festivities allow Chinook Trail students the opportunity to learn from veterans and to honor their sacrifices.

DISCOVERY CANYON ES

At Discovery Canyon Campus Elementary, teachers and students will be honoring veterans in a variety of ways. Kindergarteners will be making paper stars with the help of their parents, honoring a family member or friend that has served in the military. First and second grade students will pay homage to veterans by researching veterans in their family and their service to our country. Students will create a visual tribute for each veteran and display them throughout the school. Third grade students will write letters to a military unit that is currently deployed. Additionally, parents that are, or have served in the military will present to students about their experiences serving their country. Fourth and fifth grade students will write letters, poems, and draw patriotic pictures that will be mailed to veterans thanking them for their service. The students love this activity and often get letters back from the veterans they write. Our intervention teachers will lead lessons about the importance of Veterans Day and students write about what it means to them. Additionally, our librarian has a “Mystery Skype” connecting students with active duty members of our military around the world!

DOUGLASS VALLEY ES

Douglass Valley Elementary will have our annual Veterans Day Parade on November 12 at 9:30am. DVES staff, students, and honored guests will march around the loop on Douglass Drive along with a vintage fire truck, prep school students from USAFA, Eagleview’s WEB Leaders, along with wagon floats, and banners. DVES students will be carrying flags donated by the Lions Club and will share the flags with spectators. Following the parade, at approximately 10:30am, there will be a brief program in the gym including a musical performance by our 4th and 5th grade students, a poem recited by our DVES kindergarteners, and a slide show of veterans near and dear to the DVES community. 4th and 5th grade students will hear from WWII Veteran, Bruce Elson, and have the opportunity to ask him questions. Students are also learning about Veterans Day and patriotic traditions throughout the week. Please come join us in your red, white, and blue!

EDITH WOLFORD ES

Our music teacher is already teaching students patriotic songs and will be asking students to work on activity sheets that are related to Veterans Day and patriotic music.

First grade is reading *Veterans Day* by Mindy Sedlik, discussing that the brave service men and women of our country are also our family, friends, and neighbors. They served our country and are now serving in our communities. They will also then create their own mini Veterans Day booklets.

Preschool is making hand wreaths in red, white, and blue and will be giving these to Douglas Valley to share with military families.

All around the building, we will have numerous read-a-loud and SeeSaw-based activities around students sharing the importance and significance of Veterans Day.

SCHOOL IN THE WOODS

School in the Woods invites Lt. Colonel Chris DeGaray to visit with us each year on Veterans Day. He has visited us for 10 years, and he is the parent of two SITW alumni. He is a veteran who now works as a civilian with Fort Carson and has multiple perspectives as a veteran. Lt. Colonel DeGaray joins us for our Afternoon Meeting at 2:50pm and talks with our naturalists about the history of Veterans Day, the various branches of the armed forces, and opportunities for veterans after their service to country. The naturalist really enjoy the opportunity to hear from Lt. Colonel DeGaray and ask questions. As a follow-up, thank you cards are written.

EXPLORER ES

Each year Explorer Elementary honors our veterans with a special program. This year the program will be Monday, November 11th starting at 1:30pm. We are honored to have such a large number of active duty and retired military among our Explorer family. Parents, grandparents, aunts, uncles, and siblings of Explorer students are all welcome and encouraged to attend. Our November 11th program will begin with a cake and punch reception in the cafeteria hosted by Explorer scouts. An all school assembly will begin at 2:00pm in the Explorer gym. The United States Air Force Academy Band Saxophone Quartet will offer special music selections along with the Explorer Choir. During the program, guests and staff members are recognized for their service. The program will end with a slide presentation showcasing active and retired military from all branches of service connected to the Explorer community.

FOOTHILLS ES

At Foothills Elementary we are celebrating Veterans Day to thank our veterans and military members for their selfless service to our country. Our wonderful music teacher, Marlene Crystal, holds a yearly Veterans Day Program where students honor our local veterans and military. This program is titled *All American Me and You* and is performed by our 3rd graders. It will start at 2:30pm and conclude at 3:15pm. In art, each student will make a thank you note with a patriotic drawing on a square piece of paper. This will be compiled into a flag mosaic, photographed and converted into a postcard. During our Veterans Day program when veterans and military are asked to stand to be honored, our third graders will personally deliver their thank you postcards to them. Foothills art teacher, Ellen Enger, has coordinated with Wounded Warriors to give these to local veterans. Also, since we are so blessed to have so many veterans in our Foothills community, our students have personally addressed these to service members in their lives!

FRONTIER ES

Frontier Elementary will provide students with a variety of activities to commemorate Veterans Day and engage them in projects to demonstrate their gratitude for the sacrifice of these men and women. Teachers will use a combination of library, technology, and online resources to provide integrated curricular activities which will culminate in the creation of various writing, posters, and art projects that will decorate the walls of our gymnasium for our annual Thanksgiving Day/Veterans Day Feast on Monday, November 11th. Through these projects, students will learn about the various branches of the military, the history of the poppy and its

significance in honoring our veterans, and how these service men and women honored their country – just to name a few things. Our third grade classes will host a patriotic Veterans Day music program that evening at 6:30pm as well. Times for the Veterans Day Feast are listed in the last section under All Activities.

HIGH PLAINS ES

High Plains Wolf Pack students will once again be leading our Veterans Day assembly starting at 9:00am. One of our intermediate students will be singing the National Anthem to open the assembly. Wolf Pack students will be sharing a brief history of each branch of the military followed by each branch's theme song. The assembly will end with some of our third grade students singing "Veterans March," a song thanking our veterans for their service.

LEGACY PEAK ES

On Monday, November 11th at 8:20am, Legacy Peak ES will have a Veterans Day Parade and Breakfast to thank veterans for their service. The parade will start in the Grove and parade through the halls of our school. Armed service members of LPE students/staff are welcome to join us to honor those who have served in our armed forces and currently serving. Following the parade, the Veterans Day Breakfast will be held in The Open Table at LPES.

MOUNTAIN VIEW ES

At Mountain View Elementary School, we think Veterans Day is a big deal. For the weeks leading up to November 11th, we post "Honor a Veteran" certificates on the walls of our lobby from floor to ceiling. These certificates are filled out by our students and families, honoring a friend or relative who is a veteran. Each time the door of our school is opened, the certificates wave in the wind, similar to an American flag. We host a Veterans Day assembly starting at 9:00am in the gymnasium with all of our students and staff as we recognize and thank the current and past military members of our school and community for their service and sacrifice on our behalf. This assembly is run by our Student Council. Every student attending receives a small American flag to wave. We include speakers from our staff and community. Selected fifth graders read their personal essays that focus on how one of our District Character Traits relate to the service given to our country. The assembly is opened and closed by the Color Guard of Pack 2000 Cub Scouts. After the assembly, our PTA hosts a reception for our honored guests.

PIONEER ES

Pioneer Elementary will hold a special assembly on November 9th from 9:00am-10:00am honoring our veterans. Students and staff share photos of family members who have served in the military which will be displayed in a slideshow. Our students will perform several songs and play musical instruments to honor the military. Each branch will be honored including recognizing those in attendance who have served.

PRAIRIE HILLS ES

On Monday, November 11th, Prairie Hills Elementary is celebrating veterans in our community. We will be welcoming any active duty or retired military members into our school. At 8:30am, they will be led through a music-filled parade with all our students lining the halls, waving flags, and cheering them on. After the parade, they will get to enjoy cake, coffee, and cards that were created by our students. At 9:15am our 3rd graders will be honoring our veterans with a concert in the gymnasium.

RANCH CREEK ES

On Monday, November 11th, Ranch Creek Elementary will celebrate Veterans Day and honor our veterans through song. Our 5th grade choir will perform a patriotic and heartwarming presentation throughout the day. We welcome families, local veterans, and members of our community to attend. Performances will occur at 8:35am, 9:45am, and 2:15pm.

ROCKRIMMON ES

On Monday, November 11, 2019 beginning at 9:00am, Rockrimmon Elementary School will be honoring all branches of the military at the annual Veterans Day Assembly being held. It is our tradition to begin our program by the saying the Pledge of Allegiance by all Rockrimmon students, staff, and guests, followed by an all-school sing-along of the National Anthem and “America the Beautiful.” Service families are invited to attend and all will be acknowledged by our eS2S leadership ambassadors. A special slide show of service families will be shown. In addition, classroom teachers plan age appropriate activities to help students understand the significance of Veterans Day during their regular class time. Finally, as a way of taking action, our students are donating a variety of items for care packages, which we call “Gifts of Gratitude,” that will be sent to our community members currently deployed.

THE DAVINCI ACADEMY

On Monday, November 11th from 9:00am-9:30am, The da Vinci Academy is excited to celebrate veterans from our community near and far. Beginning at 9:00am, we will host an assembly in our movement room to honor the veterans. We will honor our guests at an assembly with the Pledge of Allegiance and singing of the National Anthem by our very own student choir, the da Vinci Voices. Mrs. Molina, our Principal, will introduce our guests of honor to the students and staff. Following the introduction, we will play a slideshow that is being prepared by our Digital Learning Coach, Dr. Schimmel, which will include pictures of the honored guests paired with thematic music, for everyone to watch. Following the slideshow, our students, K-5, will sing the “Armed Forces Medley” to the veterans, recognizing the five branches of the military. After the song, students will return to their grade level neighborhoods to get ready for a veterans parade that will span throughout the building. Once the students are ready, our Music Teacher, Miss McCallum, also a veteran, will lead the veterans in a parade through the school. The parade will begin and conclude in our community area. During the parade, our students will show their appreciation and gratitude through cards or posters that they will have created in classrooms. Music will be played via the intercom system during the parade. At the conclusion of the parade, our veteran guests will enjoy refreshments in our community area.
