Mr. McKean,

The Missouri National Guard Association (MONGA) is honored to receive 10,000 pocket Constitutions for use by members of the Missouri National Guard from Mr. Andy McKean of Liberty Lives Forever. MONGA is a veterans' organization dedicated to representing the interests of over 10,000 members within the Missouri Army and Air National Guard.

Our primary mission involves providing comprehensive support to both currently serving and retired soldiers and airmen, encompassing areas such as life insurance, professional development, scholarships, and advocacy with national and state policymakers. The receipt of these pocket Constitutions falls well within the professional development of our association. MONGA will forward any feedback or testimonials it receives concerning the pocket Constitution to you for review.

MONGA will coordinate with Mr. McKean to provide locations and numbers for distribution of the Constitutions to the units. The units will provide the opportunity for our service members to receive the Constitution. Service members will be encouraged to read the document and share this with their families and friends to help broaden their understanding of the Constitution.

Sincerely,

A handwritten signature in black ink, appearing to read "William B. Blaylock II".

Major General (ret) William Blaylock II
